a message from

Mr. Tracy

You've made it! You now find yourself at the end of one of the most important of life's journeys you started 12 years ago. While this may only be one of the many hurdles in your life, I hope Wilmington High School will always remain in the center of your memories. During my first year here, I have learned many of the values that you all hold true as members of the WHS family. I have witnessed **Wildcat Pride** in action all around me and I am proud to be a member of our family! The advice I gave you the first day we met still holds true, be respectful, be responsible and cooperative. It's a simple way to live in a life that won't often be so simple. I'm not sure I can put the right words together to celebrate this wonderful occasion, but I suppose Green Day said it best in their lyrics when they sang:

"Another turning point
A fork stuck in the road
Time grabs you by the wrist
Directs you where to go
So make the best of this test
And don't ask why
It's not a question
But a lesson learned in time
It's something unpredictable
But in the end is right
I hope you had the time of your life"

I hope you did have the time of your life. Dream great dreams and set goals realistic and attainable. Be curious about life, but stay safe as you pursue your purpose. Persistence and determination are the keys to making it all come true. If you fail at something, get back at it and make it happen. Most of all, believe in yourself, love your friends and family and live to help others.

I am proud of all of you. Thank you for making WHS a great place everyday. Your unselfish contributions have been the backbone of WHS. Through good times and tough times, we always worked together to make things all right for everyone. Continue the tradition!

class history

August 28th, 2001, we began a new chapter in our lives. As the class of 2005, we began our four-year journey through the halls of Wilmington High School. Little did we know, our next four years would fly by. As a class, our first major decision was to elect the freshman class officers. Clayton Huynh was elected as president, Katie Sterling as vice president, Jen Corcoran as treasurer, and Krystina Smith as secretary. Within less than a month into the school year the entire nation was horrified by the attacks on September 11th. From that point on, our lives changed forever. As a class we grew stronger, by supporting one another, as well as the families who suffered in such a terrible tragedy. With remembrance of that day still fresh in our minds, the year went on. Though many of us struggled at first, we began to enjoy our time at Wilmington High. Many of us became involved in numerous clubs, ranging from collecting food for the less fortunate, to learning about the cultures of other countries. Through the end, we all took a sigh of relief as our freshman year came to an end, and we waited our sophomore year.

It was now our second year. Less anxious and more confident, the class of 2005 continued to work hard, preparing ourselves for the future. The class president and secretary were reelected, and Dan Jamerson as treasurer, and LeeJane Villafuerte as vice president stepped into the roles. During this year, WHS sports excelled, with all sports putting together successful seasons. Golf went undefeated, track produced three CAL all stars, and the basketball team went deep into the state tournament. Also part of our sophomore year was the dreaded MCAS. But with graduation on the line, the class of 2005 did great, and most succeeded. The year came to a close, and we were one year closer to graduation.

Junior year was a very important year for the class of 2005. Over the summer, many of us began visiting colleges, and beginning the dreaded "college search". With the help of our guidance counselors, we worked hard searching through the thousands of colleges throughout the nation. In the end, with the help of guidance, we all took a successful step towards our future. On January 6, 2004, the class of 2005 was devastated to have suddenly lost one of our most beloved students and friends, Justin O'Neil. His passing came as a surprise to all, as the students and faculty became overwhelmed with grief. The class, as well as the Wilmington community, came together in mourning through such a terrible time. We were all affected differently by this loss, but in the end, we all learned that one must live life to the fullest; taking one day at a time for everything its worth, because there is no guarantee that there will always be another day. The class of 2005 once again displayed its resilience and valor, and we continued to work hard, as well as pay our respects to Justin. The class officers were reelected and began working relentlessly to plan our Junior Prom. Prom was held on May 7, 2004 at the Burlington Marriot. Joe Mayo was crowned king and Rebecca Pane was crowned queen, as everyone who attended had a amazing time. We were now ready to enter our final year of high school, our senior year.

It was almost like yesterday when we stepped through the main door of WHS, both scared and excited, not knowing what to expect. It was as as if were just a blink of an eye, and now here we were, seniors! We all laughed when people told us that our four years in high school would fly by, but now we finally understood. The class of 2005 welcomed two new class officers, Ray Bennett as vice president, and Caroline Lamson as treasurer, while president Clayton Huynh and secretary Krystina Smith were once again reelected. We also welcomed a new principal, Mr. Tracy, who promised to make our final year here at WHS our best one yet, and he was right. From the start, we all celebrated the success of the football team. They posted an undefeated regular season record, the best in school history, and made it all the way to the division semi-finals; a great year for a great team. Girls soccer, cheerleading, and golf also won the Cape Ann League. We all continued with the college process, with many receiving acceptances to some of the premier colleges in the U.S. On January 6, 2005, the class of 2005 donated a memorial bench to the Justin O'Neil Memorial Skate Park, to honor the one-year anniversary of the loss of Justin O'Neil. Once again, the class officers did a great job in planning the senior prom. It was held on May 20, 2005 at the Westin Hotel in Waltham. The night was unforgettable. The year was winding down, and the seniors came together for the last time at the senior lock in. We finally did it. We endured all the hardships, conquered all the obstacles, survived through the four years of tests, midterms, and finals, and now we were finally going to graduate. We all said our goodbyes, and even though many of us were happy to leave, we were all reluctant to say goodbye. Wilmington High School was our school, where friendships were born and broken, where relationships were created and destroyed, but overall, where the memories were made and could never be forgotten.

ELEMENTARY SCHOOL

REMEMBER WHEN

In elementary school, our class was separated within three schools: the Wildwood, the Woburn Street, and the Shawsheen Elementary Schools. Even though we did not attend the same classes, we were still brought together by in-town activities and recreational sport teams.

MIDDLE SCHOOL

THE WONDER YEARS

At the start of the 1999/2000 School Year, the North Intermdiate and West Intermediate Schools came together, becoming the first class to graduate from the new Wilmington Middle School. We were also the last class from Wilmington to have the opportunity to visit New York City's World Trade Center, as well as the chance to take part in the class trip to Washington D.C.

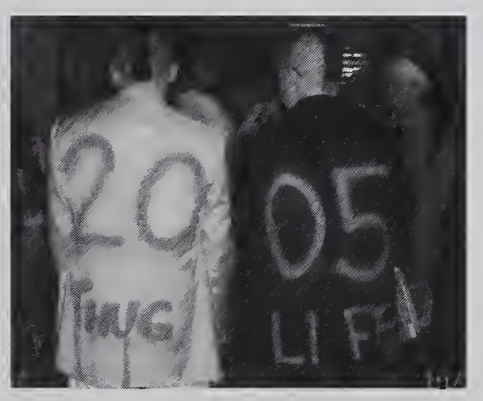
HIGH SCHOOL

hope you had the time of your life

The first walk across the common, the first stroll through the crosswalk, the first walk up those steps and through those front doors, entering a place where you spend your next four years . The Class of 2005 experienced this on August 28, 2001. Even though everyone would tell you the time is going to fly by, that day seemed like the longest day of your life. But then the years began to fly by. Team sports, clubs, high school dances, pep rallies, spirit week, your friends, your favorite class. High school has given you memories that will never be forgotten.



Above: John Dowling and Jimmy Fitzpatrick go all out for spirit week. Below: Students in Mrs. Shack's art class take a break for a photo.

SPIRIT WEEK

The homecoming dance kicked off the start of spirit week. The week consisted of a day in which each class is assigned their own themes...

(costume day for the seniors, Hawaiin day for the juniors, decade day for the softmores and pajama day for the freshman) followed by Army/ Navy Day. On the last day, all of the classes dressed up in blue and white to show their Wilmington High School Spirit. All of this led up to the big homecoming game in which we had a huge victory over Lynnfield.

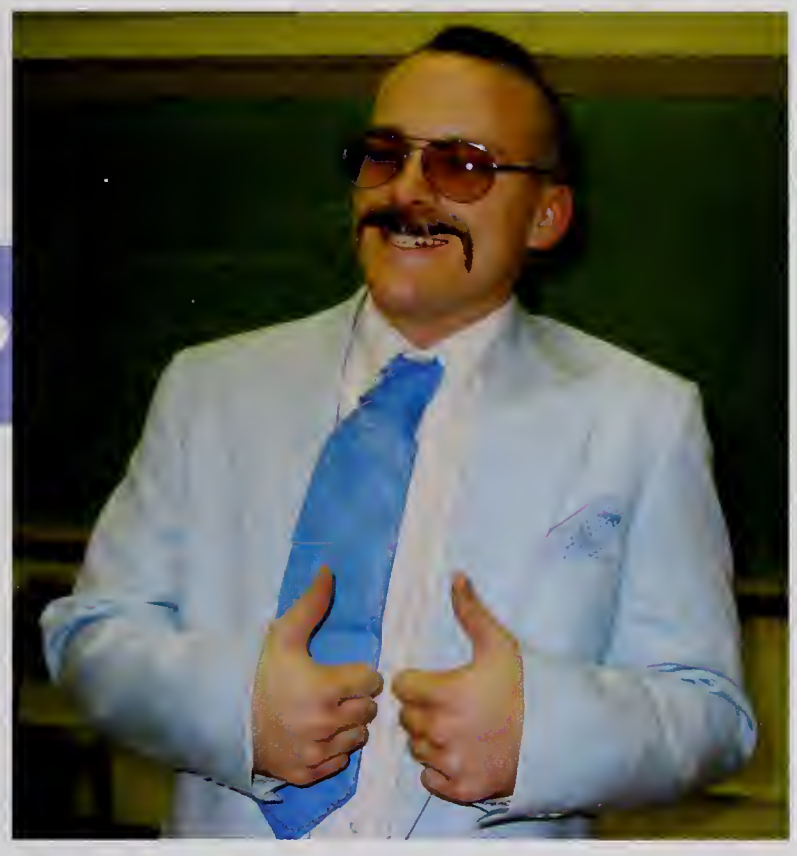
TOUGH GUYS...
Steve Ventre, Brian Frongillo (sporting his bling-bling), Eric Difava, Jimmy Fitzpatrick, and Tom Walsh pose while an intruder sneaks a peek in the back.

HOMECOMING
Celine DeMaggio, Jess Lecesse & Kristine Barry take a break from dancing to smile for the camera.

#1 CHEERLEADER...

Anthony entertained us all by showing off his acrobatic ability, gaining approval from his agent Jd to the far right.

ANTHONY GRILO



Isn't That Cute...

Look at Mike St. Aubin (to the left) as he shows off his t-shirt he had signed by all the seniors.

Tascha Solon poses with Mike Damplo (on the right) who sacrfices his dignity to show off his school spirit by wearing his mom's blue night-gown.

Though everyone's memories differ, it is a night that will always be remembered.

Prom Night!
Bobby's clearly ready to get the night started, showing off his five beautiful prom dates.

We're Here...

Upon arriving, students waited patiently for their prom photos to be taken. In the mean time they take a few of their own.

It was a successful season for the football team. They were the first team in school history to go 11-0. It was the first time since 1972 that a team went undefeated and the first time since 1976 that the Wildcats have competed in the post-season. They had key victories over Pentucket (28-14), Masco (in overtime, 20-14), and North Andover (in a dramatic come from behind, 30-29). Junior quarterback Joe Herra was named CAL Player of the Year. All-League selections were seniors Brennan Jones, Rob Gillis, and Joe Mayo along with juniors Sean Murphy, Matt Marden, Stephen Downs, and Joe Herra.

Cheerleading

The cheerleading team was led this year by captains Michelle Forester, Nicole Sauve, Ashley Dell'Anno, and Lindsey Brown. While the team had a great time cheering for the football team, they also had a successful season for themselves. This year, the girls were Cape Ann League Champions. The girls also received a bid to Nationals, which they attended this February in Georgia.

The 2004 Varsity Soccer team topped off the Cape Ann League Large Division for the second year in a row, with a league record of 9-3-1 and an overall record of 12-6-2. The team qualified for the tournament but lost a heartbreaker in the second round to Bishop Fenwick, 1-0. This year's team was led by senior tri-captains Teesa DeSimone, Debbie Lyons, and Ryan Murphy; and seniors Alicia Braid, Lani Cabral-Pini, Kelly Crosby, Amanda Figueiredo, Caitlin Foley, Sarah McGowan, Katherine McMahon, and Caitlin McNabb.

After losing nine seniors from last year's team, the Boys Varsity Soccer Team knew there would be a lot of work to do this year. Dealing with several injuries, the team got off to a rough 2-6-1 start. Although the season had a rough beginning, the boys were able to keep their composure in the end. The team was able to rebound for the last eight games thanks to inspirational speeches on how soccer should be the only thing on the players' minds, and not trivial things like albino lobsters. Putting their record at 7-8-2, the boys were one win away from making the state tournament In the rain under the Wilmington lights, the Cats took an early 2-0 lead against Tewksbury, but the Redmen were able to tie the game by the second half. Neither team could afford the tie; both teams needing a win to advance to the state tournament. With less than thirty seconds left in the match, Tewksbury was about to score. However, as the ball was about to cross the goal line, a renegade Wildcat, desparate to save the game, illegally stuck his hand out to swat the ball away from the goal. Tewksbury was awarded a potentially game winning penalty kick, but the shot was saved, and the game ended in a 2-2 draw. While the Wildcats missed the tournament by a hair, they were able to turn the season around and keep their biggest rival out of the tournament.

This season was another successful volleyball season for the Girls Varsity Volleyball Team. The team finished with an overall record of 14-9 and a Cape Ann record of 6-4. This year's team consisted of one senior, six juniors, and two sophomores. Throughout the season, all nine girls contributed to the team in their own individual ways. Led by their two junior co-captains Kelley Lemke and Megan Godding, along with the lone senior Krystle Chambers, this team was able to accomplish great things. While WHS has made it to the State Tournament for the past five seasons, this team was one of only two teams to make it to the Division 3 North Semi-Finals. In our post-season, the team convincingly beat Bedford 3-0 in our only home tournament match (held on Nov. 6th). The next round was against the Presentation of Mary in Methuan on Nov. 9th. With another strong performance, the girls were able to win the match 3-1 and advance to the semi-finals. The semi-final match took place on Nov. 11th in North Reading. Unfortunately, the team fell a little short and lost the match 1-3. Concluding the season, this young and inexperienced team was able to achieve some great goals that most veteran teams wish to obtain.

Field Hockey

The last field hockey game of the season was played on October 25, 2004 and was the last high school game for seniors Emily Olson (captain), Celine DeMaggio (captain), Christina Miele, Kristine Barry, Jessica Lecesse, Michelle Cassim, Julie Martell, and Jen Sullivan (goalie). Although the season's record was 6-11-3, Coach Mutchler remarked that the score did not reflect the team's skills. The season may not be remembered for being successful on the scoreboard, but it definitely made spending so much time together worthwhile.

The boys cross country team finished off its 2004 with key victories against North Reading, Georgetown, and Ipswich. This was accomplished under the guidance of co-captains, senior Chris Murray and junior Tom Miele, along with seniors Ray Bennett, Tom Blaisdell, Ryan Curtis, Dan Ellsworth, Dan Jamerson, and Mike St. Aubin. This season came with a lot of firsts, including Chris Murray setting a new Wildcat course record of 16:32, as well as having our top five guys (Chris Murray, Tom Miele, Ryan Curtis, Dan Jamerson, and freshman Matt Bibeau) all finish under 20 minutes for our 3.1 mile home course. Other key performances this year were given by Sam Oglesby, Sean MacPherson, Kevin Roballard, and Chris Lyon.

This year's girls cross country team had 3 runners, including senior captains Liz Pettigrew and Jen Loranger. Although they did not have the numbers to qualify to race, the girls still had a good season. Everyone set personal records and finished the season strong at the CAL meet.

The WHS Golf team had an excellent season this year, as they finished with a final record of 12-0-0. This was the first time in team history where the team had achieved a perfect season. The team clinched the CAL title for the fifth time in six years, with their closest victory of the year against Masconomet 117-116. The team was led this year by their two senior captains, Kevin Verlardo and Brendan Strem. The other seniors on the team included Mike Hackett, Brian Frongillo, and Scott Konieczka. Other contributors to the team's success included juniors Zack Ungvarsky, Jeff Yongclaus, Alex Montalto, and sophomore Jason Evans. The team tied for third in the North Sectionals finals and overall fourth in the State finals.

The team gave their coach Al Fessenden a great final year, as he has decided to retire after an excellent twenty years of service. Thanks Coach!

Wrestling

The Wildcat Wrestling team made history this year, becoming the first team in school history to win the sectional tournament. As a dual meet squad, the team was 12-7. The Wildcats finished 2nd in the Cape Ann League Tournament behind North Andover and 2nd in the Holliston Invitational Tournament behind Longmeadow. The team sent nine sectional place finishers to states, at Taconic Regional High School in Pittsfield, Mass., in hope of making history yet again.

The team had ten very hardworking seniors on the team this year and a very good group of underclassmen. The team showed what it takes to win and had a sensational season.

Boys Basketball

The Wildcats had a fantastic year, clinching their fourth straight Cape Ann League title. The team has great potential and should make a strong run in the state tournament. This team definitely exceeded everyone's expectations. The Wildcats have proven they can win big games, and the future still looks bright for this young team.

Girls Basketball

The Wildcat Girls' Basketball team continues to search for their tenth win in order to qualify for the tournament. The team is very young, as it returned only two starters from last year's tournament team. Led by senior captain Lani Cabral-Pini and four juniors, the Wildcats have posted a 7-10 record on the year thus far. With three games left, the Lady Wildcats must win them all in order to qualify.

Boys Hockey

The Boys Varsity Hockey team had its ups and downs this season but finished just shy of reaching the state tournament. Fighting for a .500 record, the Wildcats fell short late in the season, even with strong effort from senior forwards Zack Wilkins and Ed Tucker and a solid defense by senior Ray Bennett. In goal, senior Tim Anderson had a good first season as starter. The Cats also got production from underclassmen, who will continue to excel in future seasons.

The Cats finished off the season graduating 5 seniors, including Tim Anderson (assistant captain and goalie), Ed Tucker (captain and forward), Zack Wilkins (forward), Tom Blaisdell (forward), and Ray Bennett (assistant captain and defenseman). The team is left with some talented players who are capable of competing for states again next year. Although the team did not make states, it will be a season to remember.

Girls Hockey

Beginning five years ago as a struggling club team, Wilmington High School's Girls Ice Hockey Team has exploded into a dominating force and a top contender in the Cape Ann League. The Lady Cats are made up of girls from North Reading High School, who play a huge factor in the success of the team. Captains Jen Corcoran and Katie Martell, along with the rest of the graduating seniors have been with the program since its creation. They have helped the team go from a season with one win, to a League Championship last season. Through the before school, 5:45AM practices and grueling workouts together, this close-knit group of girls continues to prove that with enough determination, any team can go from being underdogs to champs. Heck yes!

Also, PJ Russo took 3rd in the 1000 at the CAL meet and the 4x800 team took first.

Remember always that
you have not only the right
to be an individual;
you have
an obligation
to be one.

You cannot make
any useful
contribution
in life
unless you
do this.
